

Sinclair Broadcast
Group's VP Mark
Hyman's use of KOVR
Channel 13
newsreport in
Sacramento to
disseminate daily
his obnoxious,
one-sided
propaganda,
incorporated as news
into the KOVR's
news report is very
disturbing and
totally
unacceptable.

Sinclair's use of
the free public
airwaves obligates
them by law to serve
the public interest
by providing fair
reporting. As they
are not doing that,
their license should
not be renewed.

Thank you.
